

# THE SEARCH FOR ONENESS

From the Series "Relationships, God's Way"

**"Eighty-four percent of women feel they don't have intimacy in their marriages."**

**"Eighty-three percent of women feel their husbands don't even know the basic needs of a woman for intimacy or how to provide intimacy for them."**

**"A large majority of female divorcees say that their married years were the loneliest years of their lives." {*Every Man's Marriage*, 61; Arterburn}**

**"In the married life men and women sometimes act like undisciplined, perverse children. The husband wants his way, and the wife wants her way, and neither is willing to yield. Such a condition of things can bring only the greatest unhappiness. Both husband and wife should be willing to yield his or her way or opinion. There is no possibility of happiness while they both persists in doing as they please." {*Adventist Home*, pg. 118; White}**
