Logistics

We ask that the Event Host cover the travel, food and lodging expenses for our family of 3 in relation to the Event.

In regards to travel, we ask that the Event Host cover our round trip tickets for the 3 of us.

In regards to a place to stay, food and transportation, we ask that the Event Host cover our lodging, meals and transportation. (Lodging, food and transportation can also be done through a church member's home in order to save money)

We also ask if we can provide our free resources such as brochures, etc.

More About Me

I'm an international speaker and relationship specialist. I founded A Loud & Clear Call Ministry for Speaking Engagements because I've realized the need for more awareness on emotional healing. I also wanted to help people just like you to heal from emotional pain and trauma.

When I'm not traveling, speaking or advising, I'm co-directing 8-day live-in Healing Rain schools on Emotional Healing. I also blog at aloudandclearcall.org
